Impressions...

come in all different forms. However, there are some impressions that are long lasting, such as that of Wesleyan College. It teaches us to cherish, to grow, to learn and to love the Wesleyan family, whether it is our sisters or our friends. With the lessons taught here, we can in turn change the world around us. As the school year of 2001-2002 ends, all the events that have occurred in our lives create a lasting impression that will shape us into who we are and who we will become in the future. The most important thing we should remember is that as we leave the present to step into the future, in some way we are

leaving a lasting impression!

Dedication

Purple Knights Class of 2002

When it comes to cheering they are the loudest class around the fountain. When it comes to affection they show the greatest sisterhood spirit. When it comes to success they represent one of the most intelligent graduating classes at Wesleyan. Who are these incredible people? They are the Class of 2002 also known as the Class of Perfect Purple Knights. As first years, they adopted quickly to Wesleyan traditions. As sophomores, the Purple Knights taught the Wesleyan traditions to the new Golden Hearts. As juniors, the Purple Knights welcomed their little sisters with open arms and showed the Green Knights how to be loved and how to love Wesleyan. This year's Purple Knights represent the Old Wesleyan before major changes took place in their sophomore year, with a strong connection to traditions. This year, the Veterropt has both the privilege and honor to dedicate the 2001-2002 Veterropt to the Perfect Purple Knights for being true Wesleyannes and for their undying love of sisterhood.

Spirit Cup

Homecoming is a time for each class to show their true colors. The class with the most sisterhood spirit takes home the Spirit Cup. This year, the Pirate Class of 2005 took home the 2001 Spirit Cup.

Spirit week began the Sunday before Homecoming with Dining Hall Madness. Later that night each class decorated a certain part of the campus with their class color based upon their Homecoming theme. The night of the Homecoming pep-rally all the classes joined together to cheer and sing their fast and slow sister-

hood songs to each other. Also during the Homecoming pep-rally, the PKs presented seniors skits reflecting their memories at Wesleyan. After the pep-rally the first year class began to decorate the entire campus with its class color. This year's first year class was the Pirate class of 2005. Overnight the Pirates were

able to turn the Wesleyan Campus into one "Red Hot" location.

The day before Homecoming, after Color Rush, the Spirit cup was awarded to the Pirates Class of 2005 for their Sisterhood spirit and for preparing a "warm" welcome for the returning 2002 Pirates.

Wesleyan joins together to welcome back the Pirate Class of 2001.

On November 8th, 2001, Wesleyan students gathered to celebrate the *Return of the Powerful Pirates*, the theme of the 2001 Homecoming Dance. The Homecoming dance was held at the Macon Sports Hall of Fame on a lovely Friday evening. Wesleyan women had

great time dancing and socializing with friends. At the dance, 2001 Homecoming Queen as well as the court was announced. This year, Jody Swink was crowned 2001 Homecoming Queen.

The Homecoming dance was organized by

Campus Activity Board (CAB) and would not have been successful without the efforts of the CAB members, the support of the Student Affairs and most importantly, Wesleyan students and alumna.

Benefit Ball

Wesleyan College students, staff and alumna gathered in the Oval hall on February 2, 2002, to enjoy 2002 Benefit Ball. Benefit Ball is one of the two formal dances happening at Wesleyan College. The proceeds from Benefit Ball go towards the funds for the Suzanne Tante Memorial Scholarship. This year with

the help of students, who attended the ball, and gifts from trustees and other contributors, Benefit Ball raised \$1,605. Terri Lewis, member of the Green Knight Class and Class of 2004, was the recipient of the Suzanne Tante Memorial Scholarship.

Benefit Ball is sponsored by Campus Activity Board (CAB)

Purple Knights STUNT

All Hail to
White and
Purple!
PK's Number
ONE!

In STUNT 2002, the Purple Knights amazed audiences yet again with their sea-side comedy, "Out of Life's Harbor, Into Life's Sea" - otherwise known as "Subverting the Dominant Paradise. Since 1980." This cruise down memory lane joins the Bali

High School Class of 1972, as they celebrate their 30th reunion abroad the Paradise Cruise Line's luxury liner. Aboard the boat are quirky passengers like the Be Naturals, the Bali High Intellects, and the inseparable trio of Barbie, Becky, Bonnie.

Campi Lee Gizzard and the Paradise Cruise's Crew have their hands full trying to ensure smooth sailing. Factor in three bumbling "inspectors," a crazy Captain, a smooth-talking bartender, and a little bit of mayhem, and you have an award winning STUNT. Christy Miner, Erin James, Natalie Puckett Evans, Megan Beene, and Rachael Shaw comprised the PK STUNT committee. This was the third year in a row the PKs have taken home the STUNT Cup, and the second time they have won the Spirit Cup.

Golden Heart STUNT

Someone said it right that children are very innocent. And this is what the Golden Hearts showed in their 2002 STUNT. Golden Hearts STUNT was set in a children's home. In order to keep the home running, the head of the home needed some money. When she finally collects the money, it gets stolen by someone. The Children put

together a talent show filled with fun talents ranging from Elvis impression to cheerleading. The talent show was indeed a success, but at the end, Miss Annie, head of the Children's home, and the children come to know that the money was stolen by none other than the owner of the home.

Golden Heart STUNT was indeed full of fun. Their music had the audience grooving and the jokes made the audience laugh.

The members of the Golden Heart STUNT included Virginia Dickens, Amanda Zagloba, Bonnie Boyd, Laura Turmond, and Jennifer Smith.

Green Knights STUNT

Prairie
Dogs are so
CUTE!

The GK STUNT is about honesty and friendship. A local Veterinarian name Charles Hilton III is in a huge debt because of his blockbuster late fines for renting the movie Beaches. Hilton's hometown of Lawton, Oklahoma has bigger problems than his late

fines. The Prairie dog community has been breeding endlessly and the town truckers decide to help and take action to stop the numerous population. To help raise money to spay and neuter the Prairie dogs, the truckers decide to host a basketball competition

between the town truckers and the NBA players. Hilton hires two con men to collect the money for the Prairie Dog problem. In reality, Hilton hired the con men to collect the money for himself to pay off his late fines. As the truckers prepare for a basketball game, they came to find out that NBA stands for National Ballet Association instead of National Basketball Association. Just before the competition begins, Hilton's dirty plan is revealed and to teach Hilton a lesson, the truckers decide to compete against the ballet dancers. In the end, the truckers raise enough money to solve the Prairie Dog problem, and Hilton is confronted about his evil plot. The con men are arrested, and the truckers ship Hilton off to the Bette Midler Rehabilitation Center.

The moral of the story is when you go about things in an honest and true manner, things will work out at the end. Its when you cheat your friends, you lose. The members of the GK STUNT Committee were Kathryn Bell, Katie Crozier, Emily Dukes, Beth Rogers and Jessica Spurlock.

Pirates STUNT

The Pirate class of 2005 presented their first STUNT called "A Night to Remember." before Wesleyan in March. Inspired by Star Wars, "A Night to Remember" is about a singing group called the Blue Sisters. Few years ago, the group had broken up, and for the

first time in years, the Blue sister were reuniting and performing live at the Bad TV Music Awards. An evil clone replaced one of the Blue Sisters and caused the group to break apart. In order to bring out the best out of their performance, a Jedi Janitor helps to

defeat the evil clone, and the entire group reunites together in years.

It was time for the Green Knight class to treat their Big Sisters and give thanks to those perfect Purple Knights for all their love, affection and compassion shown towards their Little Sisters. The Green Knights invited the Purple

Knights to attend the Big Sister /Little Sister Banquet held at Vineville Baptist Church. The Big Sisters were welcomed by the Green Knight class President Jessica Spurlock followed by a buffet style dinner. Green Knight Class Treasurer Purvi

Patel presented the Purple Knight class with a gift of memories- a video of Little Sisters thanking and cherishing their Big Sisters and other special PKs. Afterwards, Big Sisters and Little Sisters joined together to take pictures, to cheer, and to create more memories of sisterhood.

Bringing

to
Wesleyan!

On April 4th, 2002, the Wesleyan College International Club astonished Wesleyan and the Macon area by hosting one of the most successful cultural programs in the history of the college. Over 200 people including students, faculty, staff and the Macon

community attended the 4th Annual International Festival.

The Festival kicked off with a food tasting event including culinary delights from around the world prepared by International students and faculty members. International club members then performed

different dances from various countries including America, Jamaica, Jordan, India, Nepal and Spain. Jamaican students presented a Jamaican skit and Dr. Barry Rhoades of the biology department amazed audiences by demonstrating his Tae-Kwon-Do skills.

Finally the long hours and late night practices paid off when the audience applauded and congratulated the International club for bringing the world to Wesleyan.

Editor's Page...

As this yearbook came to an end, I look back at all the long hours of hard work and dedication that went into producing this yearbook. With all the hype about yearbook publication in years, I found it only fitting to make the theme of this year's book *Leaving a Lasting Impression*. A big thank you Jennifer Kerr for taking pictures and for her time and dedication to the yearbook. I also want to extend a big thank you to Mr. Steve Schroeder of Steve Photography for his expertise and taking pictures for this 2001-2002 Vetteropt. I would like to thank Ryan Boon for encouraging me to complete this volume of Vetteropt, and I also want to thank Recha Reid and Nita Balmohan for coming out to work on this book. A thank you to SGA for funding this yearbook. I must also not forget to thank our representatives from Jostens, David Ziegler and Peyton Ziegler, for their expertise and ideas.

I feel proud and honored to have contributed to Wesleyan history. I want to thank the student body for giving me a chance to add something to Wesleyan history. I wish the Purple Knights of 2002 the very best and thank them for leaving a lasting impression upon Wesleyan College. I regret and apologize for any errors and omissions. Working on this yearbook was definitely a challenge, but at the end, I am satisfied that I had the pleasure of contributing to a college that by itself is a long, lasting impression.
